I called Marla and verified that AOO will cover these trips with Alaska Resource Extraction funds.

Ok, however, I was told that those were not funded.

Hi Michael,

My  and Pebble trips are paid through the Alaska Resource Extraction funds. So I don't think I need anything additional. AOO has funds set aside for those trips if they happen. At this point I don't have any trips planned, but things pop up unexpectedly.

Folks,

Non-Responsive

Phil, your trips to Pebble and **Non-Responsive** need to be flushed out some more. Can you provide a better cost estimate, with priority, for each of these projects?

Thanks
